Village of Cremona

Policy #1702-01

Harassment

Workplace Violence, Harassment and Sexual Harassment Prevention Policy

Policy Statement

The Village of Cremona is committed to a healthy, harassment-free work environment for all our employees. The Village of Cremona has developed an organization-wide policy intended to prevent harassment of any type, including sexual harassment, of its employees and to deal quickly and effectively with any incident that might occur.

1. Definition of Harassment

Harassment occurs when an employee is subjected to unwelcome verbal or physical conduct because of race, religious beliefs, colour, place of origin, gender, physical or mental disability, age, ancestry, place of origin, marital status, source of income, family status or sexual orientation. Alberta human rights law prohibits workplace harassment based on these grounds.

Examples of harassment that will not be tolerated in the Village of Cremona are: verbal or physical abuse, threats, derogatory remarks, jokes, innuendo or taunts related to any employee's race, religious beliefs, colour, gender, physical or mental disabilities, age, ancestry, place of origin, marital status, source of income, family status or sexual orientation. The Village of Cremona also will not tolerate the display of pornographic, racist or offensive signs or images; practical jokes that result in awkwardness or embarrassment; and unwelcome invitations or requests, whether indirect or explicit.

2. Definition of Sexual Harassment

The [Alberta Human Rights Act](#) prohibits discrimination based on the ground of gender, including sexual harassment. **Gender identity and expression**, unwanted sexual advances, unwanted requests for sexual favours, and other unwanted verbal or physical conduct of a sexual nature constitute sexual harassment when:

- 2.1 submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or
- 2.2 submission to, or rejection of, such conduct by an individual affects that individual's employment.

Sexual harassment can include such things as pinching, patting, rubbing or leering, "dirty" jokes, pictures or pornographic materials, comments, suggestions, innuendoes, requests or demands of a sexual nature. The behaviour need not be intentional in order to be considered sexual harassment.

All harassment is offensive and in many cases it intimidates others. It will not be tolerated within our organization.

3. Procedure & Guidelines

If you are being harassed:

- 3.1 If you are being harassed, ~~inform~~ **tell the individual** the harasser either verbally or in writing that his/her behavior is unwelcome and ask him/her to stop.
- 3.2 Keep a record of incidents including dates, time, locations, possible witnesses, what happened and your response. You do not have to have a record of events in order to file a complaint.
- 3.3 File a complaint to either a Supervisor or the Chief Administrative Officer, if after asking the harasser to stop his/her behavior, the harassment continues. If the harasser is the Chief Administrative Officer file the complaint with the Mayor or Deputy Mayor.
- 3.4 Once a complaint is received, it is to be kept strictly confidential. An investigation will be undertaken immediately and all necessary steps will be taken to resolve the problem. Resolution may involve conciliation between the parties. **See section 3.6.**
- 3.5 Both the complainant and the alleged harasser will be interviewed as will any individuals who may be able to provide relevant information.
- 3.6 The investigation shall be performed as discreetly as possible and all information shall be kept confidential.
- 3.7 If the investigation fails to find evidence to support the complaint, there will be no documentation concerning the complaint placed in the file of the alleged harasser.
- 3.8 Regardless of the outcome of a harassment complaint made in good faith, the employee lodging the complaint, as well as anyone providing information will be protected from any form of retaliation by either co-workers or superiors.
- 3.9 All employees should be aware that harassment is considered a serious offence that may result in termination.
- 3.10 The Village of Cremona promises to treat all complaints of harassment seriously, whether they are made informally or formally. We undertake to act on all complaints to ensure that they are resolved quickly, confidentially, and fairly. We will discipline anyone who has harassed a person or group of people. We will discipline supervisors who do not act to end harassment.
- 3.11 The Council of the Village of Cremona is committed to providing the citizens of Cremona with courteous and effective services. This requires a high level of communication with all customers/citizens in a businesslike manner. In recognition of this, the Village of Cremona will not tolerate with harassment of the Village of Cremona staff, contractors or Council members. There will be zero tolerance of raised voices and profanity by the employees and customers, citizens and the public in all Village of Cremona facilities and work related sites/locations. **The Village will not tolerate harassment of staff, contractors, or Council members by members of the public.**

4. Responsibilities

If appropriate, action taken may include conciliation. If a complaint is made through the Council as a grievance, a meeting will be held with a Council representative before and after the investigation.~~ **See section 3 for complaint steps. Upon receiving a formal complaint.**
- 5.2 Both the complainant and the alleged harasser will be interviewed, as will any individuals who may be able to provide relevant information. All information will be kept in confidence.
- 5.3 If the investigation reveals evidence to support the complaint of harassment, the harasser will be disciplined appropriately. Discipline may include suspension or dismissal, and the incident will be documented in the harasser's file. No documentation will be placed on the complainant's file when the complaint has been made in good faith, whether the complaint is upheld or not.

- 5.4 If the investigation fails to find evidence to support the complaint, there will be no documentation concerning the complaint placed in the file of the alleged harasser.
- 5.5 Regardless of the outcome of a harassment complaint made in good faith, the employee lodging the complaint, as well as anyone providing information, will be protected from any form of retaliation by either co-workers or superiors. This includes dismissal, demotion, unwanted transfer, denial of opportunities within the organization or harassment of an individual as a result of their having made a complaint or having provided evidence regarding the complaint.

6. Responsibility of Management

It is the responsibility of the CAO, supervisor, or any person within this organization who supervises one or more employees to take immediate and appropriate action to report or deal with incidents of harassment of any type, whether brought to their attention or personally observed. Under no circumstances should a legitimate complaint be dismissed or downplayed nor should the complainant be told to deal with it personally.

~~The Village of Cremona seeks to provide a safe, healthy and rewarding work environment for its employees. Harassment will not be tolerated within this organization. If you feel that you are being harassed, contact us. We want to hear from you.~~

The Village of Cremona is committed to providing a safe, respectful, and inclusive work environment. Harassment of any kind will not be tolerated. Employees who feel they are being harassed are encouraged to come forward—we are here to listen and support you.

Request for Decision

Meeting Date: June 19th, 2025

Reference: 100/2025.03

TITLE: 3.1 – Circular Materials Master Services Agreement

RECOMMENDATION:

THAT the MVRWMC Board direct Administration to execute the Master Services Agreement and Statement of Work with Circular Materials as presented.

Background:

Administration has completed negotiations with Circular Materials for provision of recycling services at the Commission's Didsbury, Sundre and Water Valley sites. The proposal outlines the services to be provided by both CM, and its contractor Empringham Disposal, and the Commission.

As part of the long-awaited Extended Producer Responsibility ("EPR") program, Circular Materials has provided the Commission with two contracts governing the provision of services to begin on July 1st, 2025. An overview of the two contracts to be executed by the Commission is presented below:

1. Master Services Agreement

- In the MSA, is primarily a "boiler-plate" style legal contract outlining the representations and warranties of both parties, termination provisions, contract conditions etc.
- Contract term is tied to the Statement of Work which is primary term of 5 years, followed by 3 options to extend for a total of 5 additional years.
- The Commission may terminate the contract without cause at any time upon 18 months written notice. In the unlikely event of a financial breach (non-payment) by CM, the Commission can terminate the contract within 60 days of the breach, and then 30 days after servicing notice to terminate.
- If the dispute cannot be resolved through meditation, both parties must submit to binding arbitration within 30 days of the mediation session.
- The MSA cannot be re-assigned.
- Change order provision is well defined, for example to address change of service levels or locations under the initial contract.

2. Statement of Work

- In the SoW, the Contractor is the Commission as it applies to the contract
- Outlines scope of work to be provided by Circular Materials including the product streams that will be supported including: Cardboard, mixed paper, glass, aluminum and tin cans, and plastics #1-7.
- The initial term of the MSA contract is for 5 years, expiring on September 30th, 2026, subject to extension provisions within the contract for up to 5 additional years.
- MVRWMC is NOT RESPONSIBLE for any of the contract hauling services related to recycling. Empringham Disposal Ltd. has been awarded the contract from Circular Materials for all three sites.
- **MVRWMC is to receive a monthly payment of \$6,144 per month (\$2,048 per site), subject to an annual inflation adjustment factor based on the Alberta average CPI index for the prior 12 months.**
- **MVRWMC is also eligible to receive \$0.083 per month for each residential home serviced. We are taking the position that all homes in Mountain View County will be eligible as MV County is the only member not on a municipal collection system. Based on 2021 census data the County had 5,743 residents. Estimated revenue stream that must be directed to education and promotion is \$478 per month.**
- The Commission's obligations include provided a space for the recycle bins, best efforts to reduce quantity of Out-of-Scope Materials to less than 4% (Contamination in other words).
- The recycling services will only be available during the regular operating hours of the Commission's sites. This is intended to limit contamination and provide general oversight of the public using these services.
- The Commission will be responsible for the primary communication and promotion within the region. (Subject to Circular Material approval)
- Administratively, the Commission is required to provide record keeping and reporting of materials collected, weight etc. We will work with Empringham to ensure their invoices and bill-of-lading satisfy the collection of this data directly from the hauler.

The form of contracts as presented are the standard Circular Materials contracts used province wide for "Opt-Out Depots" and as such are non-negotiable related to changes to the wording of either contract. The Commission was able to negotiate the monthly payment up from the initial "blanket depot rate" proposed of \$1000 per site. Administration provided Circular Materials with a more comprehensive breakdown of costs including administration and even amortization of capital assets, which was accepted by CM without pushback.

Estimated revenue for 2025 budget year will be \$30,720 which was not included in the 2025 operating budget. Full-year recycling revenue will be included in the 2026 operating budget estimated at roughly \$76,000. For 2026 and beyond, the revenue from this contract will lower the municipal fee for services charged to member communities.

Recommendation:

Administration recommends the Board accept the proposal from CM for compensation of \$6,144 per month to provide recycling sites at Didsbury, Sundre and Water Valley commencing July 1st, 2025.

3.1 Service Provision

- (a) The Contractor shall provide all materials, personnel, and Equipment as required to provide the Work.
- (b) All Applicable Law shall be complied with by the Contractor in the performance of all portions of the Work. The Contractor is familiar with all Applicable Law, which in any manner affect the Work, those engaged or employed in the Work, or in the facilities or Equipment used in the Work, and no plea of misunderstanding will be considered on account of ignorance.
- (c) If, during the term of this MSA, there is a change in Applicable Law which is in effect as of a Statement of Work Effective Date that results in a material impact on the performance of any act required by the Statement of Work applicable to such Statement of Work Effective Date, the Parties shall renegotiate the provisions of this MSA, including the Statement of Work, using a Change Order pursuant to Section 8.8. If the Parties are unable to agree on the revised terms and conditions either Party may submit the dispute to arbitration in accordance with the provisions of this MSA.

- (b) For greater certainty, Section 3.2(a) does not include or apply to any Environmental Attributes arising from activities and operations facilitated by the Contractor’s investment prior to the Effective Date or not associated with the Work. Ownership of such Environmental Attributes shall belong solely to the Contractor.

3.3 Labour Disruption

- (a) If there is a lawful or legal strike, lockout, or work slowdown or other lawful or legal labour disruption or job action during the term of this MSA (the **“Lawful LD Period”**), the Contractor shall, during the Lawful LD Period, conditional on the municipal council’s approval of the Contractor’s overall labour disruption contingency plan if council approval is required, make best efforts to:
 - (i) Encourage Residential Premises who do not receive collection services because of the Lawful LD Period, to separate and retain their PPP and not place such PPP out for collection during the Lawful LD Period.
 - (ii) Provide continued collection of PPP from Residential Premises that currently receive collection from Subcontractors contracted by the Contractor and to have those Subcontractors deliver PPP collected from those Residential Premises to third party receivers designated by CM where the provision of such continued services will not, in the Contractor’s sole discretion, adversely affect the Contractor’s labour negotiations.
- (b) If the Contractor’s employees engage in an unlawful or illegal strike, lockout, or work slowdown or other unlawful or illegal labour disruption or job action during the term of this MSA (the **“Unlawful LD Period”**) that remains unresolved for a period of 30 calendar days, CM may deem a Material Contractor Default to have occurred.
- (c) Notwithstanding any provision in the MSA to the contrary, during the Lawful LD Period or Unlawful LD Period, as applicable, the Contractor will not invoice CM for the cost of collecting the PPP from Registered Communities that do not receive collection services pursuant to this MSA.
- (d) In the event of a conflict or inconsistency between this Section 3.3 and the *Labour Relations Code* (Alberta), the *Labour Relations Code* (Alberta) shall govern and the Contractor shall immediately inform CM.

ARTICLE 5 CONTRACTOR MANAGEMENT

5.1 Record Keeping and Reporting Requirements

- (a) Through the performance of the Work the Contractor shall prepare, maintain, and deliver records generated in accordance with the provisions of this MSA, including any Statement of Work, which shall include an annual fuel usage report. Such obligations shall apply to all Work, unless otherwise specified in this MSA.
- (b) CM may at any time, and from time to time, waive the requirement to include any particular item in any report in connection with the Work or may reduce the frequency

of any report, but in such event shall have the right to reinstate any item and increase the frequency of reporting to the times provided in this MSA.

- (c) For clarity, nothing in this Section 5.1 shall relieve the Contractor from its obligation to execute the Work to completion in accordance with the requirements of this MSA.

5.2 Subcontractors

- (a) The Contractor may, subject to this Section 5.2, subcontract portions of the Work to Subcontractors. The Contractor shall, and shall cause the Subcontractors to, perform the Work in accordance with the provisions of this MSA.

The Contractor shall provide access to such Work (including the staff performing the Work and the Equipment being used to perform the Work) whenever and wherever it is in progress and the Contractor shall provide sufficient, safe and proper facilities in respect of such access. Without limiting the generality of the foregoing, during such access, CM may monitor the Work (including the staff performing the Work and the Equipment being used to perform the Work) provided that such monitoring, observing or reviewing of the Contractor's Work or Equipment shall not cause unreasonable delays to the Contractor's performance of the Work.
- (b) If any Work is found by CM, acting reasonably, not to be in accordance with the requirements of this MSA, the Contractor shall, at no expense to CM, make good such defective Work.
- (c) CM, and other parties identified by CM, shall be entitled to use information obtained pursuant to this Section 5.3 for the administration of this MSA and any internal purposes.

5.4 Contingency Plan

In the event of a Contractor Default or a Material Contractor Default, CM may direct the Contractor, at the Contractor's expense, to:

- (a) prepare and present to CM, for review and approval, a contingency plan ("**Contingency Plan**") as soon as practical, but not later than five (5) Business Days after the earlier of the Contractor becoming aware of, or CM notifying the Contractor of, Work that is not compliant with the terms of this MSA. Such Contingency Plan shall demonstrate how the Contractor shall address the non-compliant Work and prevent similar non-compliant Work in the future; and

6.2 Documentation and Payment

- (a) CM may issue a purchase order in respect of each Statement of Work. Any such purchase order shall be solely for the convenience of CM and, notwithstanding any of the provisions set out in such purchase order, shall not create any binding obligations of either CM or the Contractor or in any way be deemed to supersede or amend this MSA or any Statement of Work or be considered to form part of this MSA or any Statement of Work.
- (b) CM shall pay the Contract Price for the Work performed, in accordance with the requirements of the MSA and each applicable Statement of Work within thirty (30) calendar days of the last day of the previous calendar month.
- (c) For clarity, CM shall have no obligation to make any payments in respect of a calendar month until CM has received all items required from the Contractor in respect of such calendar month pursuant to the provisions of this MSA, including the applicable Statements of Work, and the items are deemed acceptable to CM, acting reasonably.
- (d) Where the Contractor disputes the amount of a payment, the Contractor shall issue a written notice to CM describing the reasons for the disputed amount.
- (e) Price adjustments may be made pursuant to Section 6.4.

- (f) The Contractor shall inform CM of any payment errors that result in overpayment by CM in a timely manner by issuing a written notice informing CM of the credit necessary to correct such error in the next payment or, if the overpayment is in respect of the last payment, by issuing a refund to CM within thirty (30) calendar days.

6.3 Taxes

- (a) Except for applicable taxes payable by CM pursuant to any Statements of Work, all taxes, including any sales, use, excise and similar value added taxes, however denominated or measured, imposed upon the price or compensation under this MSA or any Statements of Work, or upon the Work provided hereunder or thereunder, or based on or measured by gross receipts or net income, or measured by wages, salaries or other remuneration of the Contractor's employees, will be solely the responsibility of the Contractor. The Contractor will deposit, or cause to be deposited, in a timely manner with the appropriate taxing authorities all amounts required to be withheld.

6.4 Price Adjustment

- (d) A Party that experiences a Force Majeure Event shall use all commercially reasonable efforts to end the Force Majeure Event, ensure the effects of the Force Majeure Event are minimized and resume full performance under this MSA.
- (e) In the event that either CM or the Contractor shall be unable to fulfil, or shall be delayed, or shall be prevented from the fulfilment of, its obligation under this MSA by reason of a Force Majeure Event, then either Party shall forthwith notify the other in writing and CM shall:

 - (ii) if there is a Material Contractor Default, immediately, upon written notice being provided to the Contractor;
 - (iii) if there is a Contractor Default and the Contractor has failed to cure such Contractor Default within fifteen (15) Business Days after receipt of notice of such Contractor Default, or within the time specified in a Contingency Plan

approved by CM in accordance with Section 5.4, or within such other time as mutually agreed between the Parties, immediately, upon written notice being provided to the Contractor; and

- (iv) if the Parties cannot agree upon a Change Order, immediately, upon written notice being provided to the Contractor. Without limiting the generality of the foregoing, CM may exercise the right of termination provided for in this Section 7.4(b)(iv), if the Parties cannot agree upon a Change Order in respect of a Communications pursuant to Section 8.16.
- (c) If CM terminates this MSA or any Statement of Work as noted above, CM is entitled to:
 - (i) Take possession immediately of all the PPP;
 - (ii) Withhold any further payments to the Contractor until the completion of the Work; and
 - (iii) Recover from the Contractor, any loss, damage, and expense incurred by CM by reason of the Contractor's default under Sections 7.4(b)(ii) or 7.4(b)(iii), which may be deducted from any monies due, or becoming due, to the Contractor.

7.5 Remedies

- (a) The rights and remedies of CM as set forth in any provision of this MSA, including Section 7.4, shall not be exclusive and are in addition to any other rights or remedies provided by law or in equity or otherwise.

- (b) The exercise of any remedy provided by this MSA does not relieve the Contractor from any liability remaining under this MSA.
- (c) CM may take such steps as it considers necessary to remedy any breach of contract and any damages or expenditures thereby incurred by CM plus a reasonable allowance for overhead may be collected by deduction or set-off pursuant to Section 7.4(c).
- (d) No waiver of any right or obligation of either Party hereto shall be effective unless in writing, specifying such waiver, and executed by the Party against whom such waiver is sought to be enforced. Except as otherwise set forth in this MSA, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this MSA shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. A waiver by either Party of any of its rights under this MSA on any occasion shall not be a bar to the exercise of the same right on any subsequent occasion or of any other right at any time.

7.6 Disputes

- (a) If there is a dispute between CM and the Contractor as to their respective rights and obligations, the Parties shall use the following dispute resolution procedures to resolve such dispute:
 - (i) The Parties shall attempt to resolve the dispute through informal discussions;

The mediator will be appointed jointly by the Parties; and
 - (iii) If the Parties are unable to resolve the dispute within a period of thirty (30) calendar days after the first mediation session, the dispute shall be resolved through binding arbitration in accordance with Section 7.7.

7.7 Arbitration

- (a) As provided for in Section 7.6(a)(iii), disputes shall be resolved through binding arbitration in accordance with the Arbitration Act, RSA 2000, C A-43 ("**Arbitration Act**"), as amended from time to time.

- (f) The arbitrator, or arbitral tribunal, will apportion the costs of the arbitration to the Parties.
- (g) The Contractor shall be deemed to abandon the matter if no arbitrator has been appointed within six (6) months of CM's receipt of the notice specified in Section 7.7(b).

The Parties irrevocably and unconditionally waive any objection to the venue of any action or proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

8.1 Governing Law

This MSA will be interpreted and governed by the laws of the Province of Alberta.

8.2 Compliance with Laws and Permits

- (a) The Contractor shall comply in all material respects with Applicable Law and shall perform and complete the Work, and cause the Work to be performed and completed, in accordance with and in compliance with all Applicable Law, including all Applicable Law related to the environment and health and safety. If there is a conflict between the standards required by Applicable Law, then Contractor shall

perform and complete the Work in compliance with the higher or more rigorous standard.

- (b) The Contractor shall obtain, and shall ensure Subcontractors obtain, all permits, permissions, licences, and approvals required to perform the Work.

8.3 Assignment

This MSA enures to the benefit of and is binding upon the Contractor and CM and their successors and permitted assigns. 8.4 Contractor to Make Examinations

The Contractor has made its own examination, investigation, and research regarding proper methods of providing the Work and all conditions affecting the Work under this MSA, and the labour, equipment and materials needed thereon, and the quantity of the work to be performed. The Contractor agrees that it has satisfied itself based on its own investigation and research regarding all such conditions, that its conclusion to enter into this MSA was based upon such investigation and research, and that it shall make no claim against CM because of any of the estimates, statements or interpretations made by any officer or agent of CM that may be erroneous.

8.5 Access to Records

- (a) The Contractor shall maintain in its designated local office full and complete operations, customer, financial and service accounts, books and records, as applicable to the Work, including records related to arranging, establishing or operating a collection system and records related to arranging, establishing or operating a promotion and education program, in each case in accordance with the Regulation, Bylaws and any applicable policy of the Authority (collectively, the "**Records**") that at any reasonable time shall be open for inspection and copying for any reasonable purpose by CM. In addition, the Contractor shall maintain in its head office reporting records and billing records pertaining to this MSA that are prepared in accordance with Generally Accepted Accounting Principles (GAAP). The Records shall include such reporting records and billing records and all records and payments under this MSA, as adjusted for additional and deleted services provided under this MSA. CM shall be allowed access to the Records for audit (including, as applicable to the Work, for an audit implemented in accordance with the Regulation, Bylaws or any applicable policy of the Authority) and review purposes.
- (b) The Contractor shall make available copies of certified weigh scale records for PPP collected under this MSA on request within two (2) Business Days of the request by CM. The weigh scale records may be requested for any period during the term of this MSA.

- (c) All records related to this MSA, including the Records, shall be maintained, and access granted pursuant to this Section 8.5, throughout the term of this MSA and for at least five (5) years thereafter.

8.6 Insurance

- (a) Each of Contractor and CM shall comply with the insurance obligations set out in Schedule B.

8.7 Changes to MSA

- (a) Changes to this MSA, including any Statement of Work, may only be made in writing signed by duly authorized representatives of both Parties.
- (b) No Party shall have any obligation with respect to the implementation of a Change Order unless or until the Parties have reached agreement in writing and the Parties have entered into a Statement of Work in respect of such change.

8.8 Change Management

- (a) CM shall be entitled to propose changes, alterations and/or amendments to the Work including removing all or a portion of the Work under any Statements of Work. If CM deems it prudent to require a change in the Work, CM shall notify the Contractor of the proposed change in the Work in writing ("**Change Notice**").
- (b) A Change Notice shall describe the change in the Work in sufficient detail to enable the Contractor to calculate and provide a change in cost estimate (the "**Cost Estimate**"), if any. The Contractor agrees that the Cost Estimate shall be provided in writing to CM within a period of fifteen (15) Business Days or other timeline agreed to with CM in writing from the date of receipt of the Change Notice.
- (c) The Cost Estimate shall include but is not limited to the following as it relates to the change in Work:
 - (i) A comment on whether relief from compliance with Contractor's obligations under this MSA is required;
 - (ii) Any impact on Contractor's ability to meet its obligations and the terms and conditions set out in this MSA;
 - (iii) Any amendment that may be required to be made to the terms and/or conditions of this MSA; and
 - (iv) Any change in the Contractor's costs.
- (d) As soon as practicable after CM receives the Cost Estimate, the Parties shall act in good faith to resolve the issues set out in the Cost Estimate and Change Notice, including providing evidence that the Contractor has used best efforts, such as (where practicable) the use of competitive quotes with its subcontractors to minimize any increase in costs and maximize any reduction in costs, demonstrating

that any expenditure to be incurred or avoided has been determined in a cost effective manner, and any other evidence deemed appropriate by the Contractor and CM, acting reasonably.

- (e) If the Contractor does not intend to use its own resources to implement any change in the Work, subject to prior written approval of CM, the Contractor may subcontract the required resources with the objective of ensuring that it obtains best value for money when procuring any Work, services, supplies, materials, or equipment required in relation to the change in the Work.
- (f) If the Parties agree to the Cost Estimate and Change Notice, as may be modified, amended or altered by the Parties, the Parties shall document the applicable changes to the Statement of Work ("**Change Order**") in respect of such modified, amended or altered Cost Estimate and Change Notice within five (5) Business Days after the Contractor receives confirmation from CM that such Cost Estimate and Change Notice are accepted. For clarity, the Cost Estimate and Change Notice shall not be implemented, unless and until, the Parties have entered into a Change Order in respect of such Cost Estimate and Change Notice.
- (g) Any change in the Work that causes, or is expected to cause, the Contractor's costs or any subcontractor's costs to decrease shall be treated as a benefit to the Contractor with the expectation and understanding that CM will also realize a proportional financial benefit in an amount to be negotiated in good faith between the Parties. If such an understanding cannot be reached, the Parties agree to resolve the difference through the dispute resolution provisions set out in this MSA.
- (h) Contractor's Proposed Change in the Work:
 - (i) If the Contractor seeks to propose a change in the Work in accordance with an express entitlement in this MSA, it must notify CM in writing. The Contractor, in proposing a change in the Work, agrees to provide CM with the following information and details in writing:

 - (iii) Set out the details and implications of the change in the Work, including any anticipated change in the costs of providing the Work by the Contractor;
 - (iv) Indicate whether a variation to the Contract Price is proposed (and, if so, provide a detailed Cost Estimate of such proposed change); and
 - (v) Identify an appropriate timeframe for the implementation of the change in Work.

- (ii) CM agrees that it shall, in a timely manner, and in any event no later than fifteen (15) Business Days, evaluate the Contractor's proposed change in the Work, considering all relevant issues, including whether:
 - (i) A change in the Contract Price will occur;
 - (ii) The change affects the quality of the Work or the likelihood of successful delivery of the amended Work;
 - (iii) The change will interfere with any relationship of CM with third parties;
 - (iv) The financial strength of the Contractor is sufficient to perform the change; and
 - (v) The change materially affects the risks or costs to which CM is exposed.
- (iii) If CM accepts the Contractor's proposed change in the Work, the change in the Work shall be set out in a Change Order documenting all changes to the scope of Work and/or terms and conditions of this MSA. Where CM accepts the Contractor's change proposal CM shall notify the Contractor in a timely manner.
- (iv) If CM rejects the Contractor's change proposal, CM shall provide written reasons outlining the basis upon which the change in Work is not accepted by CM.
- (v) Unless CM specifically agrees to an increase in the Contract Price in writing, there shall be no increase in price because of a change in the Work proposed by the Contractor.
- (vi) Any change in the Work proposed by the Contractor that causes or that is expected to cause the Contractor's costs or any subcontractor's costs to decrease shall be treated as a benefit with expectation that CM will also realize a proportional financial benefit in an amount to be negotiated in good faith between the Parties. The Parties agree to take all reasonable steps to negotiate the proportional financial benefit in good faith, failing which the Parties agree to resolve the difference through the dispute resolution provisions set out in this MSA.
- (i) Except as specifically confirmed in writing by the Parties in accordance with this Section 8.8, all Work shall remain unaltered and shall be performed in accordance with the terms and conditions of this MSA.

8.9 Conflicts and Omissions

- (a) Neither Party to this MSA shall take advantage of any apparent error or omission in this MSA or any Statement of Work. Any Work not herein specified which is necessary for the proper performance and completion of any Work contemplated,

which may be implied as included in this MSA, shall be done by the Contractor as if such Work had been specified and shall not be construed as a variation of the Work.

- (b) If the Contractor discovers any provision in this MSA which is contrary to, or inconsistent with any Applicable Law, the Contractor shall forthwith report the inconsistency or conflict to CM in writing and shall not perform the Work impacted by such inconsistency or conflict until it receives instructions from CM.

8.10 Duty to Notify

- (a) As may be further specified in a Statement of Work, if the Contractor becomes aware of any problem and/or condition which may adversely affect the performance of the Work, or the ability of the Contractor to conform with any requirements for the term of this MSA, then the Contractor shall immediately after becoming aware of same, notify CM, in writing, of such occurrence and of the nature of the relevant problem or condition in sufficient detail to permit CM to understand the nature and scope thereof. In any event, the Contractor will provide such written progress reports to CM as reasonably requested by CM but not less frequently than monthly unless otherwise agreed to in writing by CM.
- (b) The Contractor shall have the appropriate crisis management protocols and procedures in place to manage an operational, reputational, or other crisis related incident and share these plans with CM upon the execution of this MSA. CM will review such plans and may request modification to ensure alignment within its crisis management protocols and procedures.

8.11 Intellectual Property

- (a) Subject to Sections 8.11(b) or 8.11(c) of this MSA, all Collection Data (including any Intellectual Property Rights residing therein) obtained by or made available to the Contractor in connection with this MSA (collectively, "**Documentation**") are the property of CM or such other entity as identified by CM, and the Contractor shall use such Documentation only as is necessary to perform the Work in accordance with this MSA or as necessary for internal operational, planning, or policy purposes and abiding by any regulatory requirements.
- (b) Notwithstanding any other provisions in Section 8.11, the Documentation that is subject to disclosure obligations or requirements to safeguard personal information for privacy purposes under the *Freedom of Information and Protection of Privacy Act* (Alberta), an administrative or court order, and Documentation the content of which was ordinarily disclosed by the Contractor to the public in the normal course of its operations before the Effective Date, does not become part of the property of CM pursuant to Section 8.11. Where the Contractor is complying with any of the Applicable Law indicated in this Section 8.11(b), the Contractor shall not be considered to be breaching this MSA.
- (c) CM acknowledges and agrees that any Documentation, regardless of whether the property of CM pursuant to Section 8.11(a), may be a record for which the Contractor may have record retention and record destruction obligations pursuant to Applicable Law. Where such requirements imposed on the Contractor conflict with requirements

that CM may have with respect to the same Documentation, the Contractor shall not be considered to be breaching this MSA, and the Parties will cooperate fully in resolving the matter.

- (d) Title to and all property right, title and interest in the Documentation and all Intellectual Property Rights in the Work, including all Intellectual Property Rights and personal property rights in or to the foregoing, shall transfer and are hereby assigned to CM free and clear of all encumbrances upon CM making any payment in accordance with this MSA which is attributable, either in whole or in part, to the relevant Work.

- (g) Subject to the terms and conditions of this MSA, the Contractor acknowledges and agrees that CM shall be entitled to fully exploit the Work and Documentation without restriction, and CM acknowledges and agrees that the Contractor shall be entitled to use the Documentation in accordance with the Contractor's obligations under Applicable Law as set out in Section 8.11(b) and 8.11(c). To the extent the Contractor owns or possesses any Intellectual Property Rights required for full exploitation of the Work or Documentation, the Contractor hereby grants to CM a worldwide, exclusive, royalty-free, fully paid-up, transferable (to successors and assigns, including as a result of the acquisition of all or substantially all of the shares or assets of CM, or if required by law), license under such Intellectual Property Rights to fully exploit the Work and Documentation. The Contractor shall enable CM to fully exploit the Work and Documentation and any component thereof and to enjoy the full exercise of the rights conferred under this Section 8.11, including by, at CM's request, making available or delivering to CM where feasible as determined by the Contractor such technology (including software and data) in the Contractor's possession, custody or control as is required for CM to exploit the Work and Documentation.

8.12 Confidentiality Covenant

- (a) Confidential Information means information of or relating to a Party (the "**Disclosing Party**") that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure and has or will come into the possession or knowledge of the other Party (the "**Receiving Party**") whether such information is or has been conveyed verbally or in written or other tangible form, and whether such information is acquired directly or indirectly such as in the course of discussions or other investigations by the Receiving Party. 8.13 Severability

- (a) If, for any reason, any part, term, or provision of this MSA is held by a court of the Province of Alberta to be illegal, void or unenforceable, the validity of the remaining provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this MSA did not contain the particular provision held to be invalid.
- (b) If it should appear that any provision hereof conflicts with any statutory provision of the Province of Alberta or federal law, said provision, which may conflict therewith, shall be deemed inoperative and null and void insofar as it may be in conflict therewith, and shall be deemed modified to conform to such statutory provisions.

Except as otherwise expressly stated in this MSA, no amendment, supplement, modification or waiver or termination of this MSA and, unless otherwise specified, no consent or approval by any Party, is binding unless executed in writing and signed by an authorized representative of each Party. Notwithstanding the foregoing, CM may propose any revisions to this MSA necessary to comply with amendments to the Regulation or other notices, interpretations, rulings, directives or other communications issued pursuant to the Regulation (collectively, "**Communications**"), and CM will provide the Contractor with written notice of such proposed revisions as soon as reasonably practicable. Such revision

shall automatically have effect from the date of the Change Order, if any, related to such Communications. CM shall make commercially reasonable efforts to consider and respond to reasonable written feedback related to such revisions received from the Contractor within thirty (30) calendar days of receiving such feedback.

This MSA may be executed in counterparts, each of which shall be deemed an original and which, taken together, shall constitute one and the same instrument. Where Contractor is a local government, Contractor may self-insure for equivalent or better coverage (in which case Contractor will respond to all claims, actions, demands, expenses and losses by whomsoever made in the same manner as if commercial Comprehensive General Liability insurance was purchased for same and as if CM were included in such policy as an additional insured). Such policy shall have a deductible not exceeding \$100,000 per occurrence, or, where contractor is unable to obtain a deductible not exceeding \$100,000 per occurrence, CM may, in its sole discretion approve a higher deductible amount. The commercial general liability policy is to contain, or be endorsed to contain, the following provisions:

The policy shall be endorsed to provide contractual liability coverage;
- (c) if applicable, during any period in which Work is being performed under a Curbside Collection Statement of Work or Depot Operations, Transfer and Processing Statement of Work, Sudden and Accidental Pollution Liability Insurance covering the Work and services described in this MSA including coverage for loss or claims arising from contamination to third party property damage, bodily injury, cleanup costs and legal defense during the execution of this MSA. Such policy shall provide coverage for an amount not less than two million (\$2,000,000) dollars;
- (d) If applicable, during any period in which Work is being performed under a Depot Operations Statement of Work or Depot Operations and Transfer Statement of Work, Contractor will seek advice and obtain any necessary environmental impairment liability insurance or other such policy as may be recommended by their insurance broker or legal counsel to adequately protect against risks of environmental liability, with typical environmental impairment liability insurance for the Services having a limit of not less than \$1,000,000 (one million dollars) per occurrence with a deductible not greater than \$100,000 (for clarity, neither the amount nor type of environmental impairment liability insurance obtained by Contractor will in any manner limit or qualify the liabilities and obligations assumed by Contractor under this Agreement);
- (e) Policies for the above must be kept continuous throughout the term of the applicable SOW. If any of the above policies are being cancelled, the Contractor shall notify CM in writing at least thirty (30) calendar days prior to the effective date of cancellation. The Contractor shall provide proof of renewal or replacement of any other policies of insurance, on or before the expiry date, at the request of CM. CM reserves the right to request such higher limits of insurance or other types of policies appropriate to the Work as CM may reasonably require.
- (f) The Contractor shall not commence Work until documentation evidencing the insurance requirements of the Contractor, has been filed and accepted by CM. The documentation shall be certificates of insurance if purchased from a third party or evidence of self-insurance if applicable.
- (g) All coverages for Subcontractors shall be subject to the same insurance requirements as stated herein for the Contractor. Where the Contractor engages a Subcontractor to perform all Work identified in this Agreement or SOW, the Subcontractor shall be solely responsible for obtaining and maintaining the insurance coverage specified in this Schedule B. The Contractor will not be required to obtain or maintain this coverage. The Contractor and CM shall be included as additional insureds on the Subcontractor's insurance policy.

EXHIBIT 5: COMPENSATION

1.1 Contract Price

For each calendar month during the SOW Term, after the Service Commencement Date in respect of a Registered Community, the Contract Price for the Work performed under this Statement of Work in accordance with the requirements of the MSA in respect of such Registered Community shall be:

- (a) \$6,144.00/Month ("**Base Depot Operation Compensation**"); plus
- (b) \$1.00 ("**Resident Education Top Up**") multiplied by the number of Residential Premises listed in Exhibit 2 at the start of the applicable calendar month and divided by twelve (12). Without limiting Contractor's obligations under this Statement of Work (including without limiting the cost the Contractor is required to incur to perform such obligations), the Resident Education Top Up amount must be used for the purpose of providing resident education in respect of the Depot Collection Services.

1.2 Contract Price Adjustment

The Contract Price adjustment for each calendar year of the SOW Term shall be determined as follows:

- (a) Adjusted Contract Price = Base Depot Operation Compensation + CPI Adjustment
- (b) The "**Base Depot Operation Compensation**" is the Contract Price as set out in Section 1.1(a) of this Exhibit 5.
- (c) The "**CPI Component**" is 100% of the Base Depot Operation Compensation.
- (d) For the first annual anniversary of the Service Commencement Date and for each subsequent annual anniversary, the Base Depot Operation Compensation shall be adjusted to account for changes in the Consumer Price Index (CPI) and the adjustment shall be equal to the Base Depot Operation Compensation for the prior year ("Prior Year") multiplied by the year-over-year CPI Change. The Consumer Price Index price adjustment amount will increase or decrease the Base Depot Operation Compensation, depending on the CPI Change. An example is shown below:

Consumer Price Index Price Adjustment = Base Depot Operation Compensation for the prior year x (CPI Change)

- (e) For the purposes of this Section 1.2 of Exhibit 5, "CPI Change" means the average annual CPI change (for all items), as published and available on the annual anniversary date in the Alberta Consumer Price Index (Table 18-10-0004-13) (<https://www150.statcan.gc.ca/t1/tbl1/en/tv.action?pid=1810000413&pickMembers%5B0%5D=1.23&cubeTimeFrame.startMonth=12&cubeTimeFrame.startYear=2023&referencePeriods=20231201%2C20231201>).
- (f) The Consumer Price Index table used to determine the CPI Change shall be subject to revision as agreed by the Parties in the event that Statistics Canada materially changes such index or discontinues or replaces it.

Mountain View Regional Waste Management Commission

Request for Decision

Meeting Date: June 19th, 2025

Reference: 100/2025.03

TITLE: 3.2 – 2025 Capital Budget Amendment – Landfill Scale

RECOMMENDATION:

THAT the MVRWMC Board approve the recommended 2025 Capital Budget Amendment as presented, providing for:

- 1. Approval of a provision of \$140,000 to replace and install the landfill scale.**
- 2. Direct Administration to divest the existing landfill scale at market value.**
- 3. Direct Administration to fund the residual \$80,000 from the Commission’s Capital Reserve Fund.**

Background:

The original 2025 capital budget included provisions for the relocation of the existing scale house, offices and ancillary buildings from within the current airspace. This work is part of the 3-year capital plan to prepare for construction of the final phase of the current landfill airspace in 2027/2028.

The approved 2025 capital budget included provisions of \$50,000 to assay the waste materials under the existing scale site, and an additional \$100,000 provided to move such waste onto the engineered liner. The scale house relocation was included in the \$100,000 provision, but this did not include purchase of a new scale. As the Operations team has been working to relocate the scale house to the southern quarter, we have learned of new standards for the installation and calibration of scales used for commercial custody transfer purposes. With this change of scope, the logistics to relocate and calibrate the old scale to the new site would take 4-5 days, and be subject to timing beyond our control to provide power to the new site for the scale and buildings. As the landfill cannot operate without a scale, the relocation would require shutting down the site for up to 5 days to complete the scope of work.

As maintaining normal operating hours is required, we did investigate the alternatives of renting a temporary scale that would replace the existing scale while the new location was built. While rental scales are available, the rental cost is \$20,000 per month with a minimum two-month rental, or a cost of \$40,000 plus installation etc. costing \$50,000 for a temporary solution.

As an alternative, Operations requested a quote to purchase a new scale and accessory equipment to upgrade the landfill scale to a new unit. We have not sought multiple bids for this equipment as there simply aren't multiple options to buy new scales from. Ryan has received a quote from our current Scale supplier/maintenance firm, Accurate/Western Scale Co. Ltd (see attached quote) summarized as follows:

	Description	Cost
1	80' X 11' Portable Truck Scale	\$109,725
2	Remote displays and traffic control system (Estimate)	\$7,500
3	Concrete Foundation (required by standard)	\$21,000
	Total Purchase Price (Installed and Calibrated)	\$138,225
4	Sale of existing MVRWMC Scale (Estimate)	\$60,000
	Net Proposed 2025 Capital Budget Amendment	\$78,225

The existing scale has been fully depreciated from a financial perspective, and as such, has a current net book value of \$0. However, the scale itself remains in decent shape and has extensive useful life remaining. Accurate has proposed to sell the current scale at an estimated market valuation of \$60,000. Therefore, the estimated NET capital amendment is estimated at \$78,225. Compared to the temporary rental option of \$50,000, the incremental \$30,000 investment is recommended to provide the landfill with a new scale with a 20-30 year expected service life.

The current capital reserve fund has a balance of \$1.203 mm, not including the 2024 reserves transfer of \$0.527 mm, or \$1.730 mm after accounting for the reserve transfer to be confirmed at the July board meeting. In addition to the capital reserve fund, the current unrestricted reserve (cash account) balance after accounting for 2024 reserve transfers is estimated at \$0.772 mm. With significant capital reserves in place, moving forward with the proposed new scale will not have a material impact on the Commission's financial position.

Recommendation:

Administration recommends approving the amended capital budget by \$80,000 to be funded from the Capital Reserve fund.

Mountain View Regional Waste Management Commission

Request for Decision

Meeting Date: June 19th, 2025

Reference: 100/2025.03

TITLE: 3.3 – Financial Report as at April 30th, 2025

RECOMMENDATION:

That the MVRWMC Board accept as information the financial report (Unaudited) for the Commission for the period ended April 30th, 2025.

Background:

The following statement of financial results are unaudited and are management's representation of current financial position. The information presented below is therefore intended for information purposes only to give directors a snapshot of financial performance only.

2025 Financial Highlights as at April 30th, 2025:

- **Total revenue of \$1.325 mm is 42% of full year 2025 budget of \$3.126 mm compared to 33% expected for this point in the year. Revenue from operations (net of municipal fee for service receipts) was \$1.139 or 42% of full year 2025 budget of \$2.723 mm compared to 33% expected for this time of the year.**
 - Landfill revenue is at 43% of budget generating \$1.014 mm for the period. Commercial tipping fees accounted for \$0.511 mm or 50% of total tipping fees, diluted from the typical 65-70% due to the large HC Soil revenue during the period.
 - Municipal revenue from MSW receipts is \$130,127 year-to-date, or 33% of budget. Budget comparison by municipality: 33% for Olds, 33% for Sundre, 33% for Carstairs, 36% for Cremona, and 32% for Didsbury.
 - ***NOTE: Reported revenues in financial report will not match the values presented in the landfill operations report due to production month accounting versus accounting month, and account mapping to various business units that may not represent actual operations.***

- **Total expenses of \$0.821 mm were 26% of the 2025 budget of \$3.143 mm. Expenses for all three business units are all below the 33% expected, except for the landfill business unit which was slightly higher due to unscheduled equipment maintenance.**
 - Administration: \$176,799 (38%) – Allocated to business units
 - Transfer Site: \$132,012 (28%)
 - Recycling expenses: \$53,460 (34%)
 - Landfill expenses: \$608,845 (24%)

- **Cash flow surplus estimated to the end of April 2025 is \$531,064 reflects the receipt of Q2-25 municipal fee for services, and does not include amortization expense (estimate \$176,000). Therefore, net income after a provision for amortization reduces cashflow from operation to an estimated \$355,064.**

- **Administration Cost Centre:**
 - Total administration expenses YTD are 150,431 or 34% compared to 2025 budget of \$437,314. Net of revenue (interest on unrestricted reserves), Administration costs were \$176,799.

 - All major cost centres are within expected budget for this time of year. Notable exceptions related to timing and non-recurring costs are as follows:
 - Audit expenses at 111% of budget reflect LAPP audit and one-time nature of these costs. No additional audit/financial services expenses are expected throughout the balance of 2025.
 - Legal expenses at 165% reflect the costs of labour issues the Commission has incurred in 2025 related to two former employees.
 - Computer support at 128% reflects one-time costs of new equipment on top of the usual regular maintenance expenses.

 - Administrative revenue remains higher than forecast due to higher unrestricted reserve (cash account) balances and higher interest rates. Interest income YTD is \$23,417 or 89% compared to a budget estimate of \$26,250.

- **Transfer Stations Cost Centre:**
 - Total MSW revenue for the transfer stations (excluding municipal fee for service) was \$64,872 or 30% of budget. Combined with the municipal fees received to date, total revenue is \$192,891 or 41% of budget.

 - Transfer site expenses YTD of \$132,012 or 28% of budget. The key cost component of contract hauling is running at 31% of budget. Transfer station utilization typically double over the summer months compared to the lighter tonnage received during Q1 and Q2-25.

 - For 2025 the Transfer Stations have generated a surplus of \$60,879, excluding the cost of accrued amortization and skewed by the full 2-25 municipal fee.

- **Recycling Cost Centre:**

- Recycling revenue (excluding municipal fee for service) was \$33,568 or 37% of budget. Recycling is also a highly seasonable segment with receipts forecast to increase over the summer. Financial results were boosted by sale of collected metals received from processors of \$20,039 which reflects inventory collected in prior periods.
- Recycling expenses YTD of \$53,460 or 34% of budget. Contract services are the only cost centre well above budget due to cement processing/grinding that occurred in the reporting period. This cost will be covered by the recycling fund as per the 2025 budget.
- Year-to-date the Recycling segment has generated a nominal loss \$319 excluding the cost of accrued depreciation.
- Revenue from Circular Materials proposed contract of \$6144 per month was not included in the 2025 budget. Incremental revenue for 6 months in 2025 should yield \$36,684 in additional revenue.

- **Landfill Cost Centre:**

- Landfill revenue was \$1.014 mm or 43% of budget. Strong HC Soil receipts of \$248,742 are the primary driver behind strong financial revenue results.
- Landfill expenses YTD of \$0.609 mm or 24% of budget. These preliminary results do not include amortization expense which is heavily weighted to the landfill segment.
- Year-to-date the Landfill business unit has generated a net cash-flow surplus of \$444,136 excluding accrued amortization of capital assets. Most of the Commission’s TCAs are at the landfill (i.e., the cells, packer, shredder, and heavy equipment).

2025 Capital Budget

Mountain View County Receives STIP Grant for Sundre Airport Lighting Upgrades

June 30, 2025, Mountain View County, AB – Mountain View County is pleased to announce a successful grant application through the Government of Alberta’s Strategic Transportation Infrastructure Program (STIP) to support lighting system upgrades at the Sundre Airport (CFN7).

The County will receive \$205,073.59 in provincial funding toward the \$275,000 project, with the remaining costs to be funded by Mountain View County. The project will replace the airport’s lighting system, parts of which date back to 1947, with a modern LED lighting solution that improves safety, reduces energy consumption, and restores night-use capabilities to the facility.

The current lighting system is inoperable, with a NOTAM (Notice to Airmen) in place indicating lighting is unavailable, meaning the airport cannot accommodate night flying or operations in low-visibility conditions. Alongside safety improvements and general enhancement, the new system is expected to reduce the airport’s environmental footprint and operational costs.

“The Sundre Airport plays an important role in supporting our regional economy, recreational opportunities, and emergency response services,” said Reeve Angela Aalbers. “These upgrades ensure the airport remains operational, safe, and attractive to users from across Alberta and beyond.”

The Sundre Airport supports a wide range of users including flight schools, private aviators, emergency services, aviation businesses, and serves as a key access point to Alberta’s West Country. With new hangar lots recently subdivided and ongoing investment in the site’s infrastructure, the County is committed to maintaining the airport as a key component of its economic development strategy.

Mountain View County thanks Minister Jason Nixon and the Government of Alberta for their continued support of rural infrastructure and their investment in long-term, community-based economic growth.

CANADIAN FALLEN HEROES

Alberta has a long history of military service and sacrifice. The provincial honour roll includes the names of over nine thousand fallen soldiers, sailors and airmen and women. They left their family, friends and plans for the future to serve. Many are buried overseas, at or near the place of their final battle and most were survived by their parents. **Their story must be told.** Founded in Alberta by retired military personnel in 2002, the Canadian Fallen Heroes Foundation has researched Alberta's military history in order to preserve their memory. Governed by a volunteer board of directors, **we tell their story.**

Cremona is one of 925 Alberta communities to lose a son or daughter in service and as such has been allocated a search designation IN MEMORIAM on our charity's website. Once researched and written, biographies for former residents will be placed here where they can be searched by name or collectively by searching the community. They are preserved here in a format preferred by today's youth to be shared with and utilized by schools and educators as part of Remembrance Day curriculum. May they serve to remind this and future generations that the freedom to pursue our dreams and aspirations was secured by a generation who sacrificed theirs.

The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy. Martin Luther King, Jr.

Oak framed and metal art Memorials commissioned by the Foundation also adorn the walls of Legions and public facilities throughout Alberta. Commissioned in honour of former residents, they are proudly displayed in over 100 communities. Memorials are printed on metal art panels measuring 12 x 18 inches. Images and biographies are infused onto an aluminum surface using dyes rather than traditional inks. The process provides outstanding image clarity and longevity and allows for their use in Remembrance Day ceremonies.

The Canadian Fallen Heroes Foundation is a federally registered charity. Contributors to the project are issued a tax receipt in accordance with our charitable status and acknowledged IN MEMORIAM adjacent the Cremona honour roll as follows:

Gold Sponsor \$1500.00

Silver Sponsor \$750.00

Bronze Sponsor \$375.00

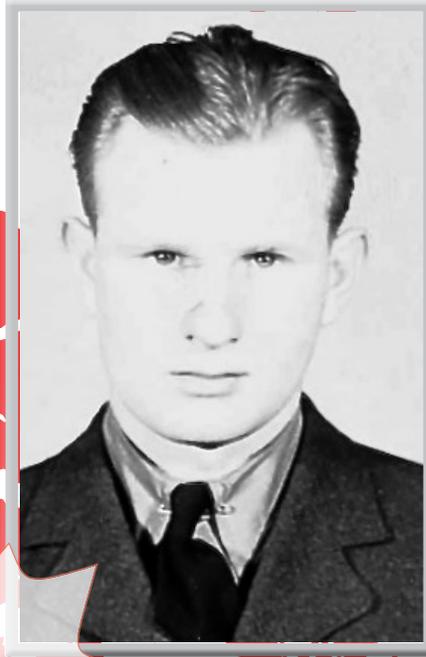

Co-Sponsor \$150.00

Metal art memorial plaques are commissioned with each pledge of \$300.00.

***They shall grow not old, as we that are left grow old; Age shall not weary them, nor the years condemn.

NELSON LEMAR BARDGETT

Nelson Lemar Bardgett, born August 13, 1921 at Cranbrook, British Columbia, completed his education in Cranbrook in 1936 and moved to Alberta with his family who farmed east of Cremona, near Carstairs, Alberta. Single, Bardgett worked on the family farm and on the Dillman farm at nearby Garfield, Alberta before enlisting at Calgary, Alberta April 14, 1942. Bardgett served with the Royal Canadian Air Force attached to No. 424 (City of Hamilton) Squadron (Castigandos Castigamus) as a Leading Aircraftman during the Second World War. Part of No. 6 Group (RCAF) with Bomber Command, the No. 424 operated Vickers Wellington aircraft from Zina (Kairouan West) Airfield, Tunisia, targeting Axis forces in Sicily and Italy. On July 6, 1943, Leading Aircraftman Nelson Lemar Bardgett died after his Wellington bomber exploded on the 424-landing field while waiting to take off when another Wellington bomber exploded nearby. Bardgett is commemorated on the Enfidaville War Cemetery, Tunisia and on the Bomber Command Memorial Wall, Nanton, Alberta. Son of John Robertson and Elsie Cordelia (nee Taylor) Bardgett of Cremona; brother of John Eldon, Joseph, and Mary Alvina Bardgett; he was 21 years old. Subject: Proclamation of the Protection of Privacy Act and Regulations

On June 11, 2025, the *Protection of Privacy Act* (POPA) and its regulations were proclaimed, and the *Freedom of Information and Protection of Privacy Act* was repealed.

POPA modernizes Alberta's public sector privacy law with the strongest privacy protections and strictest penalties. POPA also introduces requirements for privacy management programs, privacy incident reporting, and privacy impact assessments in prescribed circumstances, as well as new rules for data matching and the creation and sharing of non-personal data.

There are two Protection of Privacy Regulations that establish administrative and procedural requirements:

- The Protection of Privacy Regulation, authorized by the Lieutenant Governor in Council, includes provisions pertaining to defining terms not already defined in POPA and respecting any other matter the Lieutenant Governor in Council considers necessary.
- The Protection of Privacy (Ministerial) Regulation, under the authority of the Minister of Technology and Innovation, includes provisions pertaining, but not limited, to requirements for Privacy Incident Reporting, Privacy Impact Assessments, and Privacy Management Programs.

The POPA and its regulations work together to provide detailed, practical guidance to help public bodies implement the new rules.

.../2

To support a smooth transition for your organizations and Albertans with the implementation of the act and regulations, Technology and Innovation has created a new Protection of Privacy Act website at alberta.ca/protection-of-privacy-act. It contains resources such as a POPA Guide, fact sheets, and eCourses for both public bodies and Albertans.

The Government of Alberta will also be hosting townhalls later this summer regarding the new act and regulations. A schedule for these townhalls will be provided at a later date.

Sincerely,

A handwritten signature in black ink that reads "Nate Glubish". The signature is written in a cursive, slightly slanted style.
